AMNESTY INTERNATIONAL

RUSSIA: STOP THREATENING, IMPRISONING AND PERSECUTING HUMAN RIGHTS DEFENDERS!

WE CALL ON PRESIDENT PUTIN TO:

- Ensure that charges against Oyub Titiev and Igor Nagavkin are dropped and that they are released immediately and unconditionally.
- effectively and impartially investigate the attack against Andrey Rudomakha and his fellow activists, to investigate threats against them and bring those responsible to justice.
- Ensure that Memorial, Environmental Watch for the North Caucasus (EWNC) and other NGOs and human rights organisations are able to work without fear of persecution and intimidation.
- Demonstrates true commitment to fulfilling its international human rights obligations and provide full support and protection to human rights defenders.
