

ACT TO END ISRAEL'S GENOCIDE AGAINST PALESTINIANS IN GAZA

Dear Prime minister of Israel,

We, the undersigned, urge your government to immediately stop the ongoing genocide against Palestinians in the occupied Gaza Strip. Over the past year, your brutal onslaught and relentless attacks on Gaza have brought unprecedented levels of death and destruction in the occupied Gaza Strip, and a deplorable catalogue of violations and crimes.

Amnesty International's report titled "'You feel like you are subhuman': Israel's genocide against Palestinians in Gaza" provides research findings and legal analysis to support the conclusion that Israel has committed and is committing genocide in Gaza. The report concludes that during the nine-month period under review, Israeli forces committed acts prohibited under the Genocide Convention, namely killing, causing serious bodily or mental harm, and deliberately inflicting on Palestinians in Gaza conditions of life calculated to bring about their physical destruction. These acts were committed with the specific intent to destroy Palestinians in Gaza.

As the world watches, Israel's relentless attacks are continuing with impunity, causing incessant loss of Palestinian lives while the desperate humanitarian catastrophe in Gaza grows worse and worse. In light of the urgency of the situation and the findings of Amnesty International's report, we call on the Israeli authorities to:

- Immediately stop committing any of the prohibited acts under the Genocide Convention against Palestinians in Gaza, including killing, causing serious bodily or mental harm, and deliberately inflicting on them conditions of life calculated to bring about their physical destruction.
- Agree to and uphold an immediate, sustained ceasefire to save and protect civilian life, and to ensure safe routes to bring aid into and throughout Gaza for civilians in need.
- Urgently facilitate humanitarian access and delivery of aid and lift Israel's inhumane blockade on Gaza.
- End the occupation of the Occupied Palestinian Territory, including Gaza.

ACT NOW!

Sincerely,

NAME
