

# URGENT NEED TO STOP ALL ARMS TRANSFERS TO ISRAEL AND CALL FOR AN ENDURING CEASEFIRE

For the attention of:

US Ambassador in Sweden  
Dag Hammarskjölds Väg 31

Dear Ambassador,

We, the undersigned, want to share Amnesty International's grave concerns regarding the continued transfer by the United States of America of arms to Israel, despite the clear risk that they will be used for serious violations of international law, including international human rights and humanitarian law. In the light of the horrific situation in the occupied Gaza Strip, Amnesty International urges you to immediately halt the transfer of arms to Israel and to call for an immediate and enduring ceasefire by all parties to the conflict.

To avoid the risk of complicity in atrocity crimes, including genocide, we call on the US to:

- Immediately halt the export, transit, trans-shipment and brokering of all military materiel, including related technologies, parts and components, technical assistance, training, financial or other assistance.
- To this end, suspend any existing permits and stop issuing new permits for transfers of military goods, and ensure those goods are not transferred to Israel through other states.
- Ensure that suspensions of arms transfers also cover dual-use goods which risk being used for military purposes.
- Call for an immediate and enduring ceasefire by all parties to the conflict.

Sincerely,
